

Greetings,

I am Rosario Vickery, Post-Secondary Executive Board Member of the American Association of Teachers of Spanish and Portuguese Georgia Chapter (AATSP-GA) and the 2024 Fall State Conference Director. All Board Members work together as a team each year to organize a conference and to bring a nationally acclaimed presenter to Georgia. The aim is to provide an in-person faculty development opportunity for World Language teachers in our state and to promote student success.

On behalf of AATSP-Georgia, I extend an invitation to your school's World Language teachers for this year's Fall Conference on Saturday, October 5, 2024, at Clayton State University. I would also like you to consider providing the necessary funds for them to be able to attend. Here is the link for registration.

He regularly presents workshops on language proficiency and cultural competence at state, regional, and national conferences. Joshua has done extensive graduate work in Applied Linguistics and consults with schools and districts throughout the USA, working toward building and improving proficiency-based programs. Joshua is passionate about access to education, and he also works closely with schools in Haiti and Nicaragua where he travels to work with teachers and students. He is also the host of the World Language Classroom Podcast.

Thank you.
